*Subject Letter no 306 dated the 5th November 1902 from the President of the Municipalities in the Nypore District re. the levy of Octroi duty at towns at Honnore.

Note

At Honnore, Octroi is levied on timber at 4 annas per cart-load irrespective of the exact quantity. This the Municipal Board consider to be of disadvantage to them and propose to adopt the rates prevailing in the Forest Department. They are as follows:-

		rate
1,	Cart-load containing less than 25 c.ft	2 as
(2,	do exactly 25 c.ft	4 as
(3;	do exceeding 25 c.ft but not exceeding 40 c ft	8 as
(4)	do do 40 c.ft + below 60 c ft	8 as
(5)	do do 60 c.ft. + below 75 c ft	12

2. The rate sanctioned in

Govt. Pro: No. 3362-73 / No. 161 dated the 27th

A September 1879 is as follows:—

(1) Teak and black wood — Rs 2/- per cart-load

(2) All other wood — Rs 1/- do—

The Boards' proposal is not in accordance with the standing order, which authorizes the levy of two different rates for different kinds of timber and allows the levy of higher rates than those now proposed. The existing rate of 4 annas per cart-load is levied under G. P. No. 9363-66 / C. 7. 30-98 dated the 15th February 1900.

B (vide serial No. 7). It is not also understood to what extent the proposed rate will be of advantage to the Board. If allowed, the President will be requested to state whether the present rate of 4 as per cart-load may not be raised to a half of the authorized rates of Rs 2 & 1 per cart-load according to the kind of timber [illegible] to enable the Board to realize more revenue.
